

Classic in nature, modern in presentation.

With the unique ability to tie together rustic and modern décor schemes, or to stand alone in its own brilliance, marble-looks have been sought after for centuries.

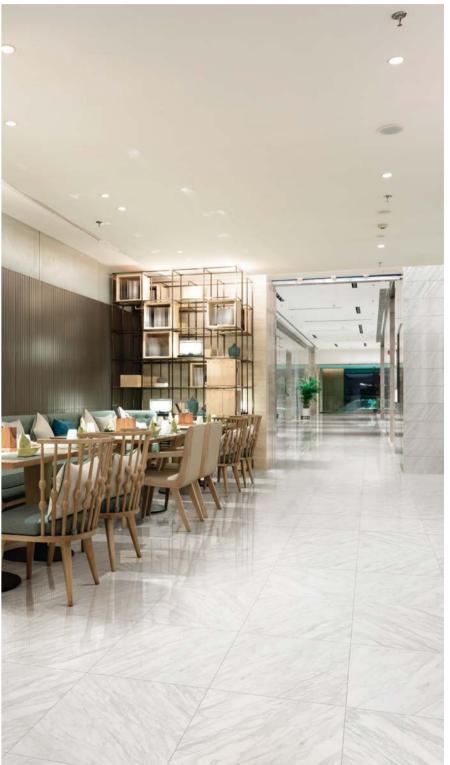

Classically timeless, the Marbles collection contains an array of five designer shades, sure to please even the most decerning interior designers. Boasting four attractive sizes including a gorgeous large format 24"x48".

The Marbles collection is comprised of 40% recycled content, is made from locally sourced, natural materials and contains no VOCs, PVC or Formaldehyde, commonly found in other flooring options.

Differences among pieces from the same production run are minimal.

SLIGHT VARIATION

Clearly distinguishable differences in texture and/or pattern with similar colors.

While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece will vary significantly.

SUBSTANTIAL VARIATION

Random color differences from tile to tile, so that one tile may have totally different colors from that on other tiles. Thus, the final
