

WHITE SANDS

BOTTICELLI COLLECTION

NATURAL BEAUTY, TIMELESS STYLE

Our exclusive multi-layer hardwood flooring features three key strengths: eight curated colors, a premium matte UV finish, and a light brushed texture. Built for lasting beauty and easy maintenance, it delivers versatile style and reliable performance for both residential and commercial spaces.

NOTE: Engineered Flooring is real wood. Expect natural color and grain variations with this flooring. Due to printing limitations, colors pictured cannot be guaranteed to match actual flooring material.
